COMPANY OVERVIEW

Gold Compass Trading LLC, founded in 2023, is a Southern California small business that resells and distributes commercial off-the-shelf (COTS) industrial and MRO products to federal, state and local government buyers. We are a buy-sell reseller — we do not manufacture. We source through established manufacturers and distributors and drop-ship to the requiring activity. The company is founder-led by a professional with a career in aerospace manufacturing operations, supply chain and quality leadership.

CORE COMPETENCIES

- Resale and distribution of commercial hardware, pipe and fittings, gaskets and seals, electrical supplies, fasteners and industrial valves
- Fasteners and industrial valves supplied with manufacturer certificates of conformance and traceability documentation on request
- Fast, accurate quoting on RFQs, combined synopsis/solicitations and informal quote requests
- Supplier coordination, order tracking and drop-ship delivery to the requiring activity
- Clean documentation: packing lists, manufacturer CoCs as provided, and accurate invoicing

DIFFERENTIATORS

- Founder-led accountability: one point of contact from quote to delivery
- Aerospace quality mindset: correct part, correct paperwork, on time
- Small and nimble; quotes quickly on small-dollar and short-turnaround requirements
- Based in the Santa Clarita Valley, serving Southern California agencies and installations
